

DESIGN YOUR OWN BEACH BAG!

1. Guests used paint, glitter and bling to decorate waterproof burlap satchels. 2. Attendees also took home (from left) Turkish cotton beach towels from Lulujo, Coola organic sunblock, Tegu blocks and Babiator swim goggles. 3. Santa Monica-based Vanilla Bake Shop provided an ocean-decorated vanilla bean cake with vanilla buttercream frosting. 4. The star converted a lemonade stand into a place for swimmers to slather on sunscreen. 5. On the menu: fish and chips, fresh lobster rolls and Tater Tots from Cousins Maine Lobster food truck. 6. Kids cooled down with cantaloupe-mint and plum-cherry-rose Popsicles from Sweet Clementine. 7. Next to the crafts table, parents helped their children fill out memento cards. Says Thiessen, "I'm going to put them in an album for Harper to have as a keepsake."
